### FREE SCHOOL HOLIDAY ACTIVITIES

Don't forget to book the Northern Areas Council Community Activity Trailer one, two or three days these April school holidays.

The 'Community Activity Trailer' includes fun activity options to create obstacle courses or games for **FREE loan**, to Northern Areas Council rate payers, agencies and community groups within the Northern Areas Council region (\$100 bond is needed for hire and refunded upon return). \* A \$50.00 LOAN FEE applies for patrons outside the Northern Areas Council Region.

District Council of Mount Remarkable Activity Trailer COMING SOON!

OPAL is a joint program of State and Local Governments

Spalding and Gladstone Primary Schools recently participated in the OPAL Back 2 School Healthy Lunch Box Challenge promoted throughout our region. It was fantastic to see and hear the positive response inspired by this challenge, and take a look at the many 'pick and mix' lunch boxes displayed by proud Spalding Primary School students!! Marie Brooks from Gladstone Primary School also advised "I've been inspired by our local OPAL team to think about creating new ideas for healthy lunchbox foods. We commenced creating our own healthy lunchbox delights this week in the cooking group, Terrific Tuesdays." A big congratulations to the teachers, students and their parents for leading the way in creating yummy healthy lunch boxes to help our kids be their very best and to grow **strong, clever, fast and fun!** [emma.young@nacouncil.sa.gov.au](mailto:emma.young@nacouncil.sa.gov.au)
