

Automotive Open Day

Wednesday 31 August | 10.00am – 2.00pm
137 Days Road, Regency Park, SA

Automotive industries offer many rewarding careers.

Employers in many fields are becoming more reliant on sophisticated electronics and information technology. Continuous technological changes in motor vehicles make for exciting careers in the automotive industry.

TAFE SA provides industry-leading education for this vital sector.

Find out where a career in automotive can lead you, by joining a tour of our auto electrical, light automotive, heavy vehicle, marine and motorcycle workshops and see South Australia's most sophisticated dyno machine.

Bookings essential. Don't miss out!
School groups welcome.
