

ABOUT CANTEEN

We are a non-profit organization, and provide free support services to young people (aged 12-25 years old) living with cancer. Whether dealing with their own diagnosis, or the diagnosis or loss of a parent or sibling, CanTeen allows young people to meet and be supported by others their age who truly understand what they're going through.

They can share experiences or attend programs or recreation days, where they can make new friends, develop coping skills and have a lot of fun too. **CanTeen is the difference!**

JOIN US FOR CITY-BAY 2017!

On **Sunday September 17th**, CanTeen will be taking part in the annual Sunday Mail City-Bay fun run. This year is a particularly exciting milestone for Team CanTeen – our **20th year** entering the event! Last year we had a team of 150 run or walk the 3km, 6km or 12km race, all raising vital funds and awareness for CanTeen. This year, we're aiming for a team of 300! City-Bay is an all ages, all fitness levels event, so everyone is welcome to come along and join the fun.

Our participants receive a tasty breakfast on the day, a post-race massage, a CanTeen T-shirt and Goody Bag for the first 250 runners to collect from the CanTeen office after raising \$50+! They'll also have the chance to win amazing prizes... including a **\$2,000 travel voucher to any destination in the world** for our top individual fundraiser donated by Anna Roussos Recruitment + Advisory. We'll also have prizes on offer for the corporate teams who raise the most funds for CanTeen!
