

ELECTRICAL APPRENTICESHIPS AVAILABLE IN THE MINING INDUSTRY

MEGT (Australia) Ltd is currently recruiting for 1st Year Apprentices to work in the Mining Industry at Olympic Dam, South Australia.

The successful applicants must be able to demonstrate a genuine interest in completing an apprenticeship as an Electrician. Applicants will also:

- **Be physically fit as they could be working in extreme temperatures**
- **Have a good level of Maths and English and be able to pass an Electrical aptitude test, achieving 85%.**
- **Be comfortable working underground or in confined spaces**
- **Be able to live away from home for extended periods**
- **Be able to pass a Fitness for Work medical and have no history of Colour Blindness or Asthma**
- **Be at least 18yrs of age or turning 18 in early 2018**
- **Reside in South Australia. Preference will be given to descendants from Barngarla, Kokatha and Kuyani Groups.**

A drivers licence is preferred but is not essential.

MEGT supports Aboriginal Employment and encourages applications from local Aboriginal people.

For any further information phone 1300 428 642. Please send your Resume and a covering letter addressing the criteria to IATN@megt.com.au

Applications close on Friday 20th October 2017, with shortlisted applicants interviewed late October. The apprenticeships will commence in 2018.
