

Maxima in Port Pirie assists people with long term medical conditions or disabilities into employment.

If you, a member of your family or any friends suffer from any long term medical conditions or disabilities and would like to either seek employment or develop skills leading to employment, Maxima may be able to help.

Maxima can assist with;

- Resume Preparation
- Skills identification and recognition
- Identifying and sourcing training opportunities
- Marketing you to our vast network of local employers
- Organisation and payment of Wage Subsidies
- Purchase of uniforms or equipment to start work
- Anything else we agree will lead you to employment.

You don't need to be in receipt of income support (although you can be) to receive this assistance.

If you would like a no obligation discussion about the types of services we can provide, or want to directly register with us for support, please ring our office between 9:00am and 5:00pm Monday to Friday and we'll be happy make you an appointment or answer your questions over the phone.
