INTERACTIVE ACTIVITIES

1 Take a campus tour

Pridham Hall Foyer

11:00am, 2:00pm

Discover the unique learning spaces around City West Campus, beginning with the award-winning Jeffrey Smart Building. See our modern facilities first-hand and get a real glimpse into campus life.

1 Sport @ UniSA

Pridham Hall Foyer

Every 30 minutes from 11:00am–2:00pm

Take a tour of the new Pridham Hall gym, fitness studio and swimming pool. Also learn about all of the UniSA Sport facilities, clubs, and health and fitness opportunities at UniSA.

2 UniSA Sport

Hindley Street

Get active and show off your skills with sporting activities on Hindley Street.

3 Law building tour

Law Building,
Hindley Street

10:30am, 12:45pm

Tour the historic Law Building that was once home to the South Australian Brewing Company Headquarters and is now the central hub for UniSA law students including classrooms, a moot court, and the student-run Legal Advice Clinic.

3 Law meet & greet

Law Building,
Hindley Street

15 minute sessions between 10:30am–3:30pm

Take the opportunity to have a 15 minute discussion with the Dean and Head of the UniSA Law School about our law degrees and your future career path. A booking list will be available at the Law Building.

4 Art & design tours

K Building, Ground Floor

Architecture & Interior Architecture: 1:30pm, 2:15pm

Communication Design: 12:45pm, 3:00pm

Contemporary Art: 11:00am, 1:30pm, 3:00pm

Illustration & Animation: 2:15pm

Product Design: 12:00pm

Take a tour and see our state-of-the-art facilities for art, architecture and design students. Explore the studios and workshops, speak to current students, and view portfolios of work on display.

4 Meet the future you

K Building

Can you picture yourself in your future career? This may even be a career that doesn't exist yet! Come and visit our talented illustration students to have a caricature drawn of you in your dream career.

4 Media hub

K Building, Ground Floor

Have you ever wanted to be a film director, television host, VFX artist or radio presenter? Try your skills in our interactive Media Hub by reading the news on a virtual TV set and experience the latest virtual reality technologies.

5 Business student experience

Y Building

Experience life as a UniSA business student by exploring our new collaborative learning spaces, purpose-built finance trading room, and services available at the Business Student Hub. You can even grab a free coffee from our pop-up café.

5 Explore the financial market

Y Building

11:00am, 12:00pm, 1:00pm, 2:00pm

Discover the new IRESS Trading Room and the technologies used to explore the financial stock market.

Our finance experts will show you how to execute deals, manage portfolios, trade financial securities and adapt to changing market conditions.

PLACES TO SEE

1 College HQ

Pridham Hall

Speak to UniSA College staff about your pathway and degree options at the interactive College HQ.

1 Engineering hub

Pridham Hall

Be surrounded by modern engineering technologies including an electrical maze, arcade game, earthquake building shaker, aviation flight simulator and Baxter the robot.

1 Motorsport pit stop

Pridham Hall

Meet our engineering students in the UniSA Motorsport Team, who design and build Formula SAE cars to race against other universities across Australia. See one of the team cars and jump in the simulator for a virtual race.

1 Science escape

Pridham Hall

Take a virtual tour of our environmental science orientation, followed by 360-degree footage of natural wonders and scientific experiments, finishing with advanced imaging of the Adelaide Plains Region from NASA's Terra Satellite.

1 UniSA Online lounge room

Pridham Hall

Learn more about how you can Study on Demand with UniSA Online. Check out our interactive learning environment and explore our 100% online degree options.

2 Immersive technology

K Building

Experience mixed reality with the Microsoft HoloLens, a computer that enables you to interact with holograms in the world around you. You can also check out the latest virtual reality technology, new mobile app designs and creative games.

2 Architecture Museum

K Building, Ground Floor

The UniSA Architecture Museum is a research hub that houses over 200,000 items – discover historical drawings, photographs, personal papers and more.

2 Art, architecture & design exhibition

SASA Gallery, K Building

Be inspired by student work from different disciplines including architecture, contemporary art, product design, interior architecture, communication design, illustration and animation, sustainable design, as well as from Match Studio and UniSA's Design Construct Program.

2 Art sale

K Building

Purchase some unique items at our student art sale, showcasing creative talents across jewellery making, illustration, ceramics, glass and more.

3 Student Lounge

Student Lounge

Come and experience this impressive space designed by our students as a place to study, meet friends and chill out.

4 Kerry Packer Civic Gallery

H Building, Level 3

Explore a thought-provoking gallery space showcasing work that reflects the themes of Strengthening our Democracy, Valuing our Diversity and Building our Future.

4 Samstag Museum of Art

H Building

Experience one of Australia's leading university art museums, displaying diverse and innovative contemporary art. Admission is free – all welcome!

5 MOD.

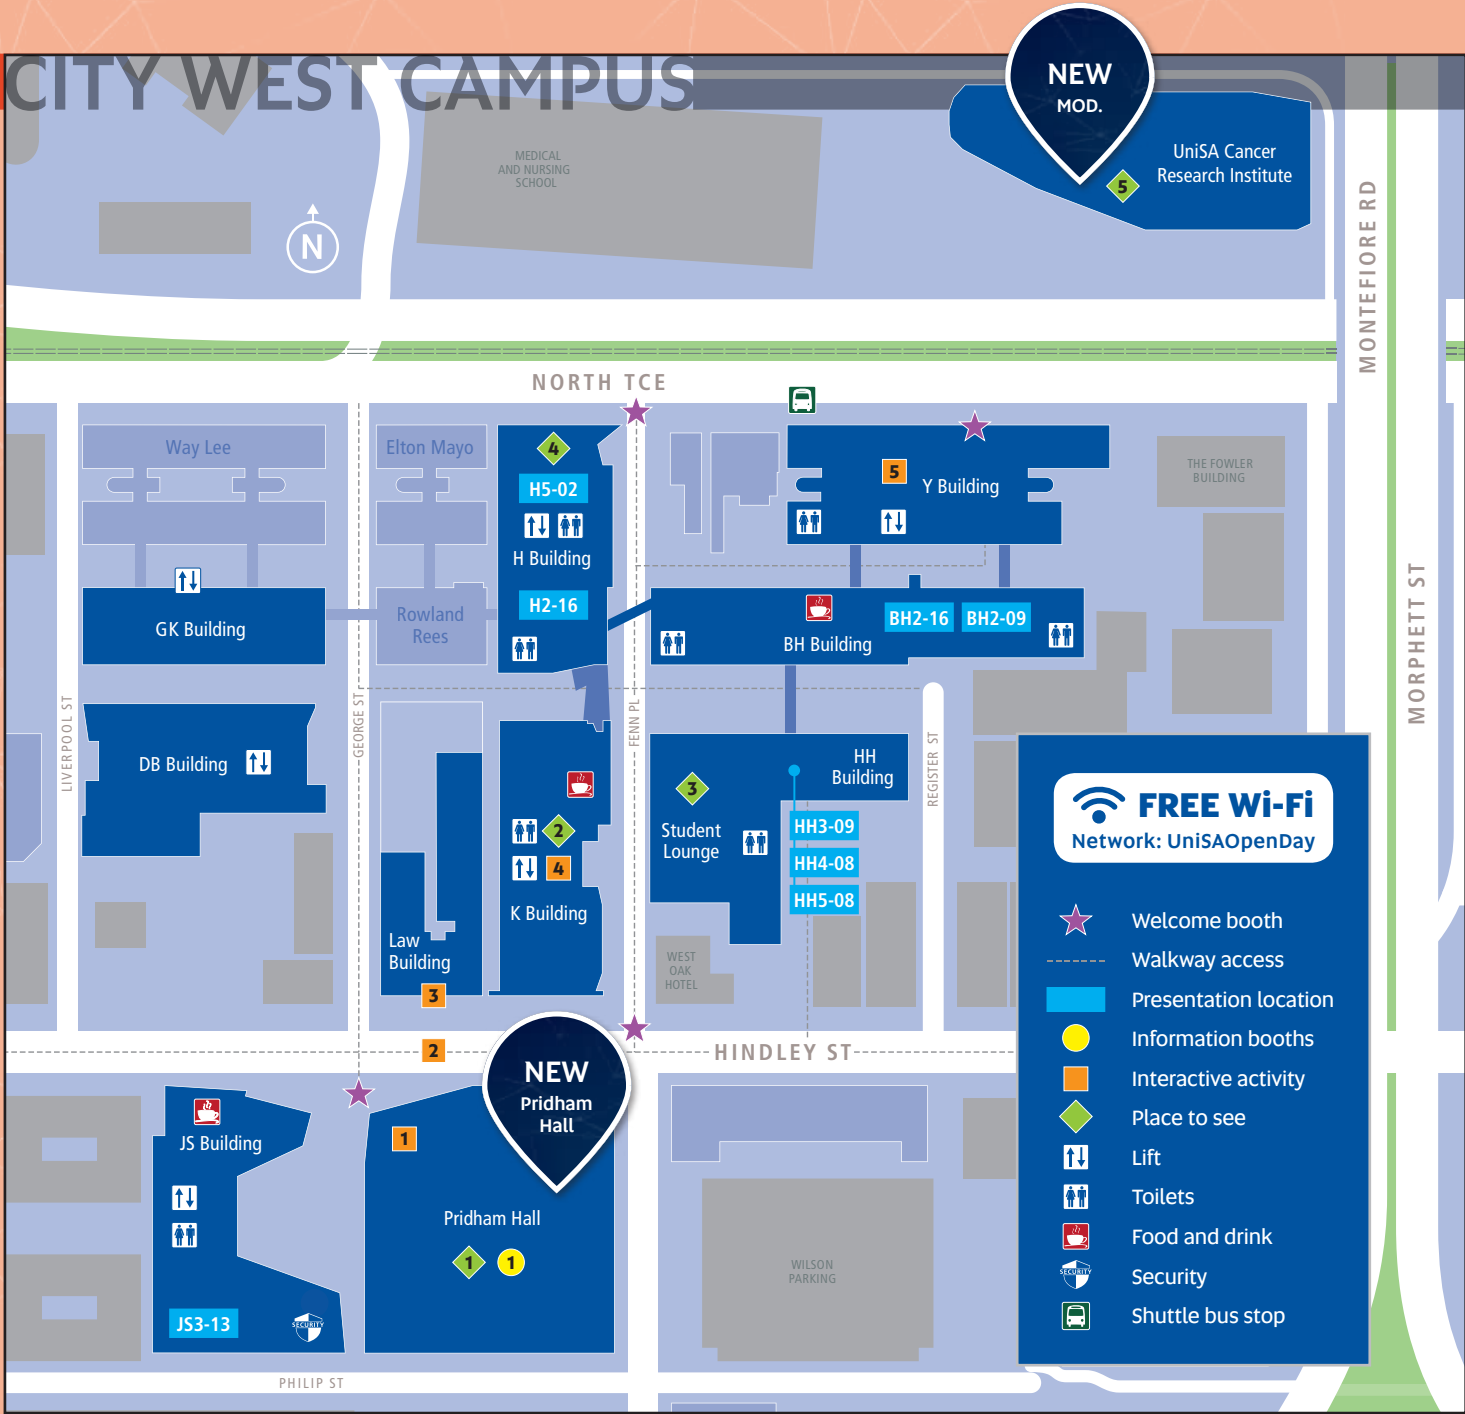

North Terrace

10:00am–4:00pm

MOD. is Australia's leading future-focused museum, provoking new ideas at the intersection of science, art and innovation.

All interactive activities and places to see that do not specify a particular time are open all day from 9:00am–4:30pm.

NEW DEGREES IN 2019

Discover our range of new degrees starting in 2019. From real estate practice, design and marketing, and financial planning to screen studies, social media, history and global politics, flexible engineering and education honours programs.

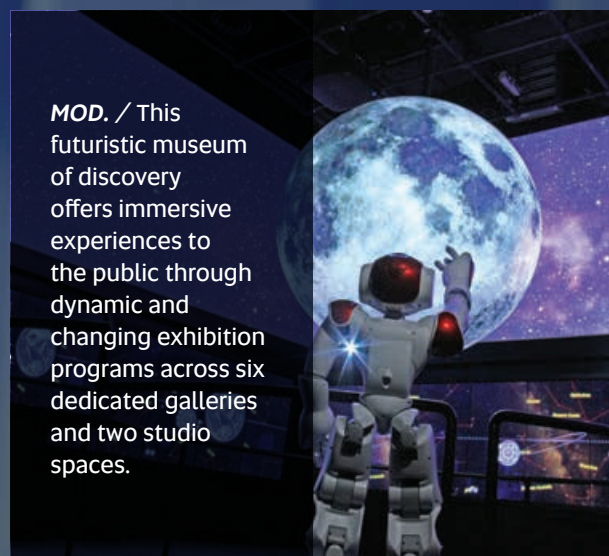

unisa.edu.au/new

EVOLUTION OF THE WEST

Our campus blueprint is expanding with some exciting new spaces.

Pridham Hall / This \$50 million space has transformed our campus in the city's west end; featuring a sports centre, lap pool, gym, dance/aerobics studio, function rooms, and facilities to seat students and their families for graduation ceremonies.

MOD. / This futuristic museum of discovery offers immersive experiences to the public through dynamic and changing exhibition programs across six dedicated galleries and two studio spaces.

UniSA Cancer Research Institute / Located in Adelaide's BioMed City, this \$247 million building is the new leading destination for health research and teaching.

WIN A MAC

Enter to win a MacBook Pro or a \$2500 prepaid Visa card.

Go online and fill out your details at unisa.edu.au/win

Conditions apply. For more information visit unisa.edu.au/futurestudentcomps

VISIT MOD. TO WIN

Be in the draw to win your very own COZMO robot or OVERDRIVE racetrack by visiting our new futuristic museum of discovery – MOD. on North Terrace.

For details visit unisa.edu.au/mod/competition

Online

STUDY ON DEMAND

Take full control over your study with UniSA Online's new 100% online, career-focused degrees. Get the ultimate flexibility and study on your terms.

Get study support 7 days a week, access tech support 24/7, and log in to an online interactive learning environment anywhere, any time and on any device.

Apply now at unisaonline.edu.au

Application Support

STUDENT LIFE

Enjoy an energetic student experience brought to life by events, entertainment, sports, clubs, overseas travel and more. Get involved with life on campus and build lasting friendships along the way.

ORIENTATION

Kick-off your university adventure by attending O-Week. Meet your lecturers, connect with new people, and gain valuable insights from current students. Enjoy a free lunch and activities, explore your home campus and get ready for your first day at university.

Get involved with UniSA Sport and join one of our 25+ sporting clubs including rowing, basketball, volleyball, netball, football, gridiron, rock climbing, and more. You can also gain access to the new \$50 million Pridham Hall with a fully-equipped space for training and competitions, and a 25 metre swimming pool.

EVENTS AND ENTERTAINMENT

All sorts of great events take place throughout the year on all UniSA campuses. From career expos to campus fairs, volunteering expos, Unitopia (celebrating relaxation and wellbeing) to Multicultural Week – there is always something to do.

USASA is your student association! They are a non-profit student-owned organisation focused on providing key services and a voice for students at UniSA. USASA coordinates student advocacy, clubs, second-hand book sales, social events, production of the student magazine, campus counters, and free goodies and giveaways.

INTERACTIVE ACTIVITIES

1 Biomechanics demo

H Building, Level 1,
Biomechanics Lab

10:30am, 1:30pm

Watch a live 3D movement analysis demonstration that uses force, motion and muscle activity.

1 Blood typing

H Building, Level 5,
Histopathology &
Haematology Lab

11:30am, 2:00pm

Through the study of Haematology, learn the process of determining a person's blood group and how this is used to treat patients.

1 Crystal garden

H Building, Level 3,
Chemistry Lab

Open all day

See how chemistry is involved in the formation of molten silicates in the Earth's mantle.

1 Tissue cutting

H Building, Level 5,
Histopathology &
Haematology Lab

11:30am, 2:00pm

Learn about the study of Histopathology and how to cut and stain tissue sections for closer observation.

1 Squid dissection

H Building, Level 2, Biology Lab

10:30am, 1:30pm

What has three hearts, blue blood and deadly fingernails? See how different a squid is from any other animal on the planet.

1 Skull display

H Building, Level 2, Biology Lab

Open all day

View our extensive skull display and see if you can guess what skull belongs to which animal.

2 Art of anatomy

BJ Building, Level 3,
Anatomy Lab

11:00am, 2:00pm

Much of anatomy cannot be seen, until it unfolds before your very eyes with the help of body paint.

2 How OT's think

BJ Building, Level 2,
Occupational Therapy
Teaching Room

2:30pm

Observe the art and science of Occupational Therapy through an experience of sensory disability and problem solving.

2 Radiotherapy demo

BJ Building, Level 1, VERT

10:30am, 12:00pm

Visit our VERT Suite and see how radiation therapy is used to treat virtual patients.

2 X-Ray demo

BJ Building, Level 1, Medical
Imaging Suites

10:30am, 2:00pm

See how X-Rays are developed and viewed in our Medical Imaging Suites.

3 Exercise testing

P Building, Level 6, Exercise
Physiology Lab

9:15am, 10:15am, 11:15am,
1:30pm, 2:30pm

Observe a live VO2 Max demonstration used to enhance elite athlete performance.

3 Fresh cheese making

P Building, Level 7,
Commercial Kitchen

11:00am, 1:00pm

Discover first-hand how milk is transformed into cheese by understanding the science that underpins food.

4 Birthing manikin

C Building, Level 5, Midwifery
and Special Care Units

12:15pm

Come and experience a mock birth with our state-of-the-art birthing manikin, supported by our midwifery students and Registered Midwives.

4 Mock nursing shift

C Building, Level 6, Adult Ward

11:30am

Watch our nursing students in action, providing care for their patients in one of our Horizon Hospital Clinical Units under the guidance of Registered Nurses.

4 Physiotherapy demo

C Building, Level 8,
Physiotherapy Clinic

3:15pm

Watch our current physiotherapy students in action as they perform musculoskeletal assessments under the supervision of trained physiotherapists.
